Important Notice: It is important that you register before Jan. 31st. WGSA's objective is to give each girl as much playing time as possible during the season by limiting the size of each team. After teams are determined in mid-February we cannot form additional teams and any late registrants must be added to existing teams making them larger than optimal or girls must be turned away. Please register early to assure your daughter the best experience.

* Date or time is tentative and could change. Check website for confirmed dates.
